What payment methods does GlowHost accept?

GlowHost accepts PayPal, all major credit and debit cards including Visa, MasterCard, and American Express, as well as numerous cryptocurrency and digital currency including Bitcoin, Litecoin, Dogecoin, Alipay, OXXO, and others. You can learn more about other payment methods here.

There are no service fees for paying with the above methods.

We can also receive payments using the following options if the order total is over $100 USD:

1) Bank Wire

2) Western Union

3) Certified check via standard post

Please note a $30 processing fee will be involved for bank wire, Western Union or certified check.

If you require a payment to be made using these 3 special methods please open a ticket at our helpdesk so that the case can be reviewed to meet your special needs.
