How do I create picture links?

Here is how to create a picture link:

1. Add your picture to the page using the Picture Widget.
2. Click on the little Edit button in the upper left hand covern.
3. Click on “Choose a Link.”

The Link Editor Dialogue box will open up allowing you to link to:

1. Another page of your site
2. An external URL
3. An email address
4. A file
