How do I add a Favicon to my site?

A favicon is the little image that appears next to your URL of the browser window

To add your own favicon to your site, this is what you need to do:

1. Click on Site > Site Properties.
2. Click on "Favicon" (the star icon).
3. You can choose to browse existing favicons, or upload a new one.
4. To see what your favicon looks like, save and publish your page.
