Customizing buttons from PayPal.com

If you would like to add your own buttons from PayPal, follow these steps:

1. Visit this link on PayPal.com
2. Customize the buttons you would like to use.
3. Copy the HTML code provided.
4. Back on your site, drag and drop the HTML Code Widget onto your page (located in Widgets > Popular).
5. Paste your code (use right-click > paste or ctrl-V to paste) into the HTML editor.
6. When you are done, click "OK" and you will see the way that the HTML displays on your page.

Remember to save and republish your site for your custom buttons to appear online!
